CSF Logistics LLC has arranged vehicle and freight transportation nationwide since 2020 for dealerships, auctions, and commercial customers through a vetted national carrier network. As a licensed property broker (USDOT 3520883 | MC-1168632), CSF delivers single-point-of-contact logistics, managed facility support through vetted local subcontractors, and product supply sourcing for government and prime-contractor customers.

CORE COMPETENCIES

- **Vehicle Transport:** Open and enclosed car hauling, from single units to full fleet moves, nationwide.
- **Freight Arrangement:** Freight shipments arranged and coordinated nationwide through vetted carriers.
- **Fleet Relocation & Dealer/Auction Logistics:** Multi-unit moves between sites, lots, yards, auctions, and facilities on tight schedules.
- **Managed Facility Support Services:** Snow removal, grounds maintenance, hauling, and janitorial services delivered through vetted local subcontractors under CSF management.
- **Product Supply & Drop-Ship Sourcing:** Sourcing and direct-to-site delivery of equipment, parts, and supplies.
